

## English

- ❖ Read the 'Pet Care of a Guinea Pig' information text and answer the comprehension questions - 1\*, 2\*\* or 3\*\*\*. The answers are provided so you can check your work afterwards. 
- ❖ Write a set of instructions for someone on how to care for your pet. Choose an imaginary pet if you don't! Remember to include things like what and when to feed them, exercise, what not to do etc. 
- ❖ Create a calligram about a pet of your choice. Add colour to make it stand out. 

## Looking after Pets Year 3 and Year 4

### Weekly Learning Tasks for week beginning 11.5.20

These tasks cover various skills  
**English, Maths, Creative** and  
**Investigative.**

We recommend completing the **2 purple tasks** plus 6 or more other tasks this week. The activities that are **bold and underlined** may require more adult support. Enjoy! 😊

## Maths

- ❖ Complete the Pets Maths Challenge! (Choose 1\*, 2\*\* and 3\*\*\* difficulty rating.) Mark your own work and do any corrections needed. 
- ❖ Complete the multiplication mazes (Choose 1\*, 2\*\* and 3\*\*\* difficulty rating). These are great fun! 
- ❖ Help Mr Smith's class to complete their bar chart about pets. Use the information given to label the different columns. 
- ❖ Canine Cashflow Maths! Practice your money maths by working out how much different items cost for dogs. (Activity 1 - 1\*, Activity 2 - 2\*\* and Activity 3 - 3\*\*\* from the Dogs Trust. 

## Creative

- ❖ Draw a picture of your ideal pet. Maybe it is fluffy like a puppy, has lizard feet so it can walk up walls and a tail like a monkey so it can hang upside down in trees! Add labels to your picture explaining what each part of your pet is for.
- ❖ Create some sock puppet animals. Write a script and put on a show about how to look after pets.
- ❖ **Create some origami animals (start with the ones marked easy) and see if you can create your own zoo!**  
<http://www.origami-instructions.com/origami-animals-instructions.html>
- ❖ Create and perform a dance showing different moves that a pet can do. Send a video to your teacher.

## Investigative

- ❖ Revise some animal science using this Bitesize link:  
<https://www.bbc.co.uk/bitesize/topics/zn22pv4>
- ❖ **On your daily exercise take part in the Great Bug Hunt. Create a tally chart of the different creatures that you find. Present your findings in a graph or on a poster.**
- ❖ Use the 'Hour of Code' guided tutorial to create a game about a flappy animal like the famous Flappy Bird game.  
<https://hourofcode.com/flap>
- ❖ Take a virtual tour round Chester Zoo and choose an exotic pet animal to research (<https://www.chesterzoo.org/virtual-zoo/> scroll to the bottom of the page).
