

Inspire Warwickshire School Admission Policy

2022-23

(Including September 2022 Reception Intake)

Approved by IET Board of Directors Spring Term 2021

Inspire Education Trust Warwickshire primary schools have adopted the Warwickshire Local Authority Admissions Policy. The below takes the points relevant to all-through primary schools from the Warwickshire Oversubscribed Criteria for Community and Voluntary Controlled Primary, Infant & Junior Schools.

This Policy applies to Stockingford Academy.

Primary Schools

(Reception entry)

In the event that a Warwickshire Community or Voluntary Controlled primary school is oversubscribed, then the following oversubscription criteria will be used when allocating places:

1a. Children in the care of, or provided with accommodation by, a local authority within England, and children who were looked after, but ceased to be so because they were adopted (or became subject to a child arrangement order or special guardianship order). Including those children who appear (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted”;

(a copy of the interim / full care order, or a copy of the adoption certificate, or other applicable documents, may be requested at any time during the admissions process)

1b. Children who have been adopted, either through a local authority or through a voluntary adoption agency that is registered with CVAA UK. This category applies to all adoptions which do not fit within Category 1a, including those which take place outside of English law;

(a copy of any relevant documents may be requested at any time during the admissions process)

2. Children who are in receipt of the Early Years Pupil Premium, with no more than 14%* of the places available to be allocated under this category. The child must be in receipt of the premium at the time the application is made;

Check your eligibility at: www.warwickshire.gov.uk/freeschoolmeals

**14% represents the national figure (13.7%) of children in receipt of Free School Meals, as stated within the Department for Education’s Statistical Publication entitled, ‘Schools, Pupils and their Characteristics’, issued in June 2018. If the number of places from the percentage results in a decimal number then this will be rounded down to a whole number if .4 or below, and rounded up to a whole number if .5 or above.*

Eg: 14% of 30 = 4.2. In this case, the number of places available to allocate within this category would be a rounded down to a whole number of 4.

3. Children who are subject to a Child in Need Plan or a Child Protection Plan at the time of making the application, or who have been at any point since 1 September 2015, with no more than 9% of the places available to be allocated under this category;

Further checks will be undertaken by Warwickshire County Council to confirm circumstances for children who are considered under this category. Relevant documents may also be requested from applicants at any time during the admissions process.

***9% represents an average figure (8.7%) within the local authority of children either in need or on a child protection plan (where the conference stage commenced), when compared with cohort sizes of children aged 4 – 16, resident in Warwickshire within the 2017/18 academic year. Data obtained from the Department for Education’s statistical publication entitled, ‘Characteristics of Children in Need’, which contains analysis of data obtained in March 2017.*

If the number of places from the percentage results in a decimal number then this will be rounded down to a whole number if .4 or below, and round up to a whole number if .5 or above.

Eg: 9% of 30 = 2.7. In this case, the number of places available to allocate within this category would be a rounded up to a whole number of 3.

If there are more applicants who comply with either category 2 or 3 than the number of places available under that category, places will be allocated based on the distance between home and school, in line with the rules set out in these criteria for 'Priority within each over-subscription criterion'.

4. Children living in the priority area for the school, who will have a sibling attending the same school in Years 1 - 6 at the time of admission in September 2022;

5. Other children living in the priority area for the school;

6. Children living outside the priority area for the school, who will have a sibling attending the same school in Years 1 – 6 at the time of admission in September 2022;

7. Other children living outside the priority area for the school.

Please note:

a) Children with an Education, Health and Care (EHC) Plan that names a school will be admitted first. In this event, the number of places that remain for allocation will be reduced.

b) Children attending, or with a place at, a nursery class do not have a higher priority for - and are not guaranteed - a place at the attached primary school.

c) 'PAN' = Published Admission Number

The PAN for each individual school is confirmed in the local authority's documentation relating to the 2020 entry year, which can be found online at: www.warwickshire.gov.uk/schoollacriteria

Priority Areas

Each community and voluntary controlled school has an area identified as its priority area (this is sometimes referred to as a 'catchment area').

A small number of schools share priority areas; these are known as 'shared priority areas'. Full details of priority areas are available on the Warwickshire County Council website and can be viewed using interactive maps.

Infant and Primary School Priority Area Maps can be accessed at:

<http://www.warwickshire.gov.uk/mapinfantprimaryschools>

Junior and Primary School Priority Area Maps can be accessed at:

<http://www.warwickshire.gov.uk/mapjuniorprimaryschools>

Some own admission authority schools do not have a priority ('catchment') area. Full details can be found in the individual admission arrangements for own admission authority schools.

Priority within each over-subscription criterion

Where applicants are allocated the same criterion, priority is given in order of distance between the child's home and the school applied for (shortest distance = highest priority).

Distance will be calculated by using a straight-line measurement from the address point location coordinate of the applicant's home address (as set by Ordnance Survey) to the centre point ('centroid') of the school in question. (The centroid is a predetermined point set by Warwickshire County Council and all distances are subject to changes which may occur with updates of mapping data).

Transport Assistance will not be approved on the sole basis that the school offered is the catchment school and will only be provided in accordance with Warwickshire County Council's Home-to-School Transport Policy. This may mean that the nearest appropriate school – for transport purposes – may be a school in a different priority area.

Sibling, i.e. brother or sister, attending the school at the time of admission

Sibling is defined as: a full brother or sister; a half brother or sister; an adopted brother or sister; a child living in the same address who is being Looked After by a local authority; a step-brother or sister; or the child of a parents' partner, where the child for whom the school place is being sought is living in the same family unit and at the same address as that sibling.

Definition of Home Address

Where the child normally resides during the school week and where they sleep for at least 50% of the week.

If arrangements are such that a child resides at two addresses for equal amounts of time, then parents must decide which address to use for admissions purposes. Failure to agree on the address to use on the child's application for a school by the national closing date will result in Warwickshire County Council using a random number generator to determine which application to process.

Addresses involved in child-minding arrangements, whether with professional child-minders, friends or relatives, are excluded.

Where a school place is offered on the basis of an address which is subsequently found to be different from the address where the child ordinarily resides, that place may be withdrawn. Cases will be assessed on an individual basis and in discussion with any schools named on the application which are their own admission authority.

There is an expectation that the child will be resident at the address used to allocate a place on a long-term basis, and until at least the start of the autumn term (September 2021) in relation to the coordinated admissions process.

Short-term house moves purely to secure a school place may be considered fraudulent or intentionally misleading and, in such circumstances, the place may be withdrawn.

Where a child's address changes after National Offer Day, the Local Authority (acting on behalf of the school, in some cases) may request an explanation for the house move and documentary evidence that the child is resident at the new property. The Admissions Service operates a thorough and robust address checking process, which may include both announced and unannounced home visits

Postal Address File (PAF)

The address point location coordinate of the applicant's home address as set by Ordnance Survey.

Applications made from the same multiple dwelling which shares a single Postal Address File (PAF), *and*;

Other applications where the distance from home to school is identical

Where required, individual priority for such applicants within a particular criterion will be determined by a random number generator allocation. The draw will be carried out by two officers of the Admissions Service in the presence of a local authority solicitor. The result of the draw will be recorded and countersigned at the time by all parties involved. Applicants will be notified of the outcome in writing.
