Trade Union Facilities Time 2022 - 2023

The Trade Union (Facility Time Publication Requirements) Regulations 2017 places a requirement on the Trust to publish certain information regarding facility time on an annual basis. This is time taken by Union representatives during working hours, without loss of pay, to carry out union duties and undergo relevant training.

Inspire Education Trust meets these statutory obligations, providing reasonable time off for workplace union representatives as well as non-union staff representatives who make up the Trust's staff consultation committee. The trust does not currently pay into a pooled facilities time arrangement.

This report covers the year from April 2022 to March 2023, and includes facilities time information for all 6 academies of the Trust and the central team.
