## Our Vision

To be the educator and employer of choice, with a first-class education that empowers pupils to flourish, grow and achieve. Where pupils matter to us as much as their academic success and with staff who are valued, supported and developed. Together, we will live life in all its fullness.

## Strategic Development Plan

At Inspire Education Trust (the "Trust"), we have a strategic development plan that enables us to progress in order to meet our Vision (the "Strategic Development Plan"). Our key strategies to achieve this are based upon the following:

1. Being the employer of choice within a thriving organization, with thriving individuals being engaged, healthy, developed professionally, and appropriately rewarded in line with our People Strategy.
2. Through outstanding Academy improvement across all phases, stages and ages through evidence-based practice.
3. Trust growth to positively impact life chances and outcomes for more children.
4. Robust governance at Trust and Academy levels providing strategic oversight and accountability.
5. Robust finance management, insightful transparent financial reporting, driving value for money through rigorous procurement and monitoring of our goods and services.
6. Improved and aligned IT infrastructure fit for the future, that supports pupil learning.
7. Through increasing our influence and impact via exciting and engaging networks and partnerships, maximising stakeholder engagement.

## Our vision is underpinned by our core Trust values:

### Inclusive

We celebrate diversity and difference. All are valued as members of our community knowing they belong.

### Nurture

We promote positive wellbeing so all feel safe, cared for and enabled to thrive.

### Servanthood

We considerably put the needs of others before our own, recognising that in serving each other we serve all.

### Partnership

We work collaboratively, recognising we achieve more together than on our own.

### Integrity

We are open, honest and have strong moral principles which we use to guide us.

### Respect

We show care, consideration and courtesy for ourselves and all around us.

### Excellence

We always strive to be better in order to become first class in all we do.

We will adhere unwaveringly to the 'Nolan Principles' of Public Service ("Nolan Principals"), which is made clear in our commitment to Ethical Leadership.

The Nolan Principals being:

**Selflessness** – Holders of public office should act solely in terms of the public interest.

**Integrity** – Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.

**Objectivity** – Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

**Accountability** – Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

**Openness** – Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

**Honesty** – Holders of public office should be truthful.

**Leadership** – Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

## About this document

This scheme of delegation is authorised by the Board of Directors and sets out clearly who, within the Trust, has the authority to make decisions: it makes clear who is responsible as well as who is accountable as the two things may not be the same:

- accountability means being ultimately responsible for the task or action, albeit that the group or individual with accountability may delegate the task or action to those responsible; and
- responsibility means a group or individual with responsibility for the delivery of the task or action

(the “Scheme of Delegation” or “SoD”).

The Scheme of Delegation is one of the most important documents for our Trust and reflects the size, scale and structure of our Trust. It must be understood and used by all those involved in leadership and governance.

The executive leadership team (the “ELT”) and committees of the Trust Board draw their authority, legitimacy and power to make decisions from the Scheme of Delegation.

This Scheme of Delegation is also intended to describe the workings of our governance. It is a formal document which should be referred to in order to resolve any difficulties with regard to the operation of our governance structures.

## Publication of the Scheme of Delegation

Following approval by the Directors, a copy of the SoD will be made available to the Chairs of the Local Governing Committees (“LGC”), Chairs of the Trust Committees, the Chief Executive Officer (“CEO”), the ELT and the Headteachers of the Academies. Subsequent revisions to the SoD will be made available before the date the revisions come into force.

Anyone with feedback on the content of the Scheme of Delegation should contact Kay Grainger, Governance Professional, in the first instance – [kay.grainger@ietrust.org](mailto:kay.grainger@ietrust.org)

## SECTION 1 – OUR GOVERNANCE STRUCTURE

### 1 About Inspire Education Trust ('IET')

- 1.1 The Trust is a multi-academy trust which is responsible for operating and maintaining a number of academies in England. The Trust is both a company limited by guarantee and an exempt charity, regulated by the Secretary of State for Education.
- 1.2 The Trust's constitution and objects are set out in its Memorandum and Articles of Association (the "Articles"). We are also bound by the requirements of our Funding Agreements with the Secretary of State for Education, as well as by the provisions of the Academy Trust Handbook published yearly by the Department for Education ("DfE") and a range of other pieces of government guidance and legislation, such as The Academies Act 2010, The Companies Act 2006 and The Charities Act 2011.
- 1.3 The purpose of this SoD is to provide operating clarity about the roles, responsibilities, authorities and expectations of those who work within our governance and executive leadership structures. It is subsidiary to the documents described in 1.2 above.
- 1.4 The SoD is subject to formal review by the Board of Directors on an annual basis, although they may review and amend elements of it more frequently if circumstances require it.

#### INSPIRE EDUCATION TRUST MASTER AND SUPPLEMENTAL FUNDING AGREEMENTS ("Funding Agreements")

### 2 Our governance and leadership structures

#### Overview

- 2.1 The Trust has Directors, Members, LGCs, Trust committees and the ELT, all of whom have an important role to play in the governance of the Trust.
- 2.2 All Directors, Members, LGC members, Trust committee members and ELT members must adhere to the Trust's Code of Conduct.

#### Members

- 2.3 As a company limited by guarantee, the Trust does not have shareholders, but it does have Members, who are the legal owners of the Trust and who provide the highest tier of non-executive oversight.
- 2.4 The Members are the guardians of the organisation and its ethos: custodians of governance in the Trust and its vision and values. They can appoint and remove Directors in accordance with the Trust's Articles
- 2.5 The obligations of the Members are as follows. They:
- 2.5.1 may adopt and amend the Articles subject to any restrictions in the Articles, the funding agreement or charity law;
  - 2.5.2 may, in certain circumstances, appoint new Members or remove existing Members;
  - 2.5.3 have powers to appoint and remove Directors in certain circumstances;
  - 2.5.4 must ensure the objects of the Trust are being met;
  - 2.5.5 appoint the Trust's auditors;
  - 2.5.6 receive the Trust's audited annual accounts (subject to the Companies Act) and annual report at an Annual General Meeting of the Trust;
  - 2.5.7 may, by special resolution, issue direction to the Directors to take a specific action;
  - 2.5.8 have power to change the name of the Trust and, ultimately, wind up the Trust.
- 2.6 Accordingly, the powers specifically reserved by Members, subject to any consents required by the Secretary of State and or the Charity Commission (and, therefore, not delegated at all) are
- 2.6.1 to change the name of the Academy Trust;
  - 2.6.2 to change the objects within the Articles of Association (which would require Charity Commission and Secretary of State consent);
  - 2.6.3 to change the structure of the Trust Board;
  - 2.6.4 to amend the Articles of Association;
  - 2.6.5 to pass a resolution to wind up the Trust;
  - 2.6.6 to appoint the auditors (save to the extent that the Directors may make a casual appointment).

- 2.7 Member meetings are held twice a year. One of the meetings constitutes the formal Annual General Meeting (AGM) of the Trust, with the other being the Annual Trust Strategy Day. Member meetings are quorate if three Members are present.

## Directors

- 2.8 The Trust has a Board of Directors. Directors may either be appointed by Members or co-opted onto the Board by other Directors.
- 2.9 It is important to note that, as the Trust is a company, individuals appointed as the Directors are directors in company law, but as the Trust is also a charity the Directors are also considered trustees in charity law. They are therefore referred to as Trustees by the DfE and Charity Commission. They are referred to as Directors in this SoD in line with the terminology referred to in the Trust's Articles.
- 2.10 Directors have ultimate accountability and decision-making authority for the work of the Trust and its Academies and are accountable for the performance of the Trust and its Academies to the Members, to the Secretary of State and also to the communities served by our Academies. They are required to have systems in place by which they can fulfil the requirements of the documents in 1.2 above, as well as monitoring and scrutinising the work of the ELT
- 2.11 Directors are required to act, both collectively and individually, in the best interests of the Trust and its Academies and in line with our Ethical Leadership Statement (see Section 5) and other policies. They, along with all those involved in our governance, have a strictly strategic role.
- 2.12 Directors may not, therefore, delegate their accountability for the performance of the Trust but, in practice, they do delegate the responsibility for many aspects of our operation as outlined below. Directors then hold to account the bodies and individuals with 'delegated responsibility' on behalf of the Members, the Secretary of State and the communities we serve.
- 2.13 The Board of Directors delegate responsibility as follows:
- 2.13.1 to a range of Trust Board committees, each of which consists of a subset of Directors, which may be established either permanently or temporarily and has delegated responsibility for aspects of decision making, monitoring and scrutiny as set out in this SoD. However, the Board recognises ultimate accountability sits with them.
  - 2.13.2 to a LGC for each Academy, the membership of which is drawn from the local community (including two parents and one member of the academy's staff) and which has delegated responsibility for a small amount of decision making and rather more monitoring and scrutiny of the Academy's performance

- 2.13.3 to the CEO who is appointed by the Board and who has delegated responsibility for the day-to-day strategic and operational leadership and management of all aspects of the Trust's activity. The CEO, in turn, delegates responsibility for specific aspects of the Trust's operations to members of the ELT. The CEO also delegates responsibility for the day-to-day management of each Academy to the Headteacher of that Academy, in line with the provisions described in this SoD.
- 2.14 Any delegations must be made in writing in accordance with this SoD.
- 2.15 The Board of Directors ("Trust Board") has three core functions:
  - 2.15.1 Ensuring clarity of vision, ethos and strategic direction;
  - 2.15.2 Holding executive leaders to account for the educational performance of the Trust and its pupils, and the performance management of staff; and
  - 2.15.3 Overseeing and ensuring effective financial performance.
- 2.16 The remit of the Trust Board includes:
  - 2.16.1 establishing the vision, mission and values of the Trust;
  - 2.16.2 ensuring the business of the Trust is conducted solely in pursuit of the objects set out in the Articles;
  - 2.16.3 safeguarding the assets of the Trust;
  - 2.16.4 ensuring that financial controls and appropriate financial management is in place in accordance with the provision of the Academy Trust Handbook;
  - 2.16.5 setting out, and monitoring, the overall strategic aims for the Trust, especially in regard to educational outcomes and business operations;
  - 2.16.6 establishing, and monitoring, the risks to the Trust and ensure that mitigating measures are put in place;
  - 2.16.7 ensuring that both the Trust Board and the ELT have the capacity and skill to lead and manage the Trust and that the ELT is appropriately supported and challenged;
  - 2.16.8 delegating authority for the day-to-day operation of the Trust to the CEO and, by extension, to the ELT;
  - 2.16.9 ensuring that the Trust is led and managed in accordance with all applicable law.
- 2.17 In carrying out their obligations, Directors have a number of statutory duties placed upon them as Directors under the Companies Act 2006 and as Trustees under the Charities Act 2011. These are not set out in full here, but in summary Directors must:

- 2.17.1 promote the success of the trust company
- 2.17.2 act within their powers as set out in the Articles
- 2.17.3 exercise independent judgement
- 2.17.4. exercise reasonable care, skill and diligence
- 2.17.5 avoid conflicts of interest
- 2.17.6 not accept benefits from third parties
- 2.17.7 declare an interest in any proposed transactions or arrangements
- 2.18 The Directors must ensure regularity and propriety in use of the Trust's funds, and achieve economy, efficiency and effectiveness – the three elements of value for money. The Trust board signs off the annual accounts and is responsible for ensuring compliance with the Funding Agreement.
- 2.19 Directors are expected to follow the Nolan Principles in everything they do.
- 2.20 The Trust Board must appoint annually individuals from among their number to act as Chair and Vice Chair. The Chair and Vice Chair provide leadership to the Trust Board.
- 2.21 All Directors have an equal voice in meetings and in any necessary voting procedures, although, as provided for in the Articles, in the event a deadlock in voting the Chair has a casting vote.
- 2.22 The Trust Board must assure itself that it has the right balance of skills to be able to carry out its duties, and regularly review those skills in order to establish where any gaps may lie. The Trust Board should also be mindful of succession planning and ensure that Directors are able to gain a variety of experience by serving on the Board.
- 2.23 The Trust Board must appoint a Governance Professional who is responsible for ensuring that all meetings of the Trust Board and its committees are well planned in order to allow the Trust Board to fulfil their obligations. The Governance Professional is also responsible for ensuring that all meetings are conducted in accordance with Articles, the law, with the Trust's ethical principles and are appropriately minuted. The Governance Professional, as Company Secretary, must also ensure that statutory return deadlines and other legal obligations are met.
- 2.24 The Trust Board must ensure that it has mechanisms in place to take account of the views of the Trust's key stakeholders within its decision making. This applies especially, but not exclusively, to the views of pupils and learners, parents and academy staff members. This

may be discharged through parental surveys, student voice and visits to schools; please refer to the Director & Governor Visits Policy.

- 2.25 The Trust Board, along with all those involved in the Trust's governance, must ensure that individuals avoid any situations in which they have (or could have) a conflict of interest. If such a circumstance arises, the individual must declare the nature and extent of any interest in any matter relating to the Trust and avoid any conflict of interest between that interest and the interests of the Trust.
- 2.26 Notwithstanding any provisions of the trust's Articles and this Scheme of Delegation, if the chair is of the opinion that a matter of urgency exists and it is not practicable to arrange a board meeting on short notice in the circumstances, the Chair, in consultation with the Vice Chair and CEO, may exercise any function of the Trust which can be delegated to an individual under the Articles, the Trust's Funding Agreement or the Academy Trust Handbook.
- 2.26 This action by the Chair, to be known as Chair's Actions, may be exercised either:
  - 2.26.1 after receiving a written report from the CEO which clearly states, amongst other things, why the item concerned could not be brought to a regular meeting and why it would qualify for urgent decision under this procedure; or
  - 2.26.2 as a result of other information that is brought to their attention and a delay in exercising the function would likely be seriously detrimental to the interests of the Trust.
- 2.27 Any decisions made by Chair's Action will be reported to the Trust Board at the next Trust Board meeting.
- 2.28 The powers specifically reserved by the Trust Board are:
  - 2.28.1 to determine the overall educational character, mission or ethos of the Trust and its academies;
  - 2.28.2 to adopt or alter the Scheme of Delegation and the Terms of Reference of any committee of the Trust Board;
  - 2.28.3 to determine the Trust's plans for growth and investment, including the establishment of any trading companies deemed necessary;
  - 2.28.4 to approve the annual estimates of income and expenditure (budgets) and major projects;
  - 2.28.5 to sign off the annual accounts;

- 2.28.5.1.1 to appoint or dismiss the CEO, the CFO and the Governance Professional (and the Company Secretary where this is a separate post);
- 2.28.7 to approve those policies which are deemed by statute or regulation to require full Trust Board approval ([Academy trust governance guide - Statutory policies for trusts - Guidance - GOV.UK \(www.gov.uk\)](#));
- 2.28.8 to do any other act which the ;Funding Agreements expressly reserve to the Trust Board;
- 2.28.9 to do any other act which the Articles expressly reserve to the Trust Board;
- 2.28.10 to do any other act which the Trust Board determines to be a 'reserved matter.'
- 2.29 The Trust Board meets at least seven times a year (including the Trust Strategy Day). Trust Board meetings are quorate if any three Directors, or, where greater, any one third (rounded up to a whole number) of the total number of Directors holding office at the date of the meeting are in attendance. This includes virtual attendance e.g. via TEAMS/Zoom.
- 2.30 Directors normally serve up to two terms of office, each of four years.

### **3 The Role of Trust Board Committees**

The Trust Board decides its committee structure and appoints members of the committees.

The Trust Board may delegate functions to its committees, which include LGCs. LGCs have no separate legal status in a Trust. They are technically and legally committees of the Trust Board. Each committee (other than LGCs) must contain a majority of Directors, but may also include other people the Trust Board chooses to appoint, as per Item 3.5 below. Terms of Reference for all committees are shown later in this SoD.

- 3.1 The Trust Board has established three committees to oversee specific areas of its work. The members of these committees are confirmed annually.
- 3.2 The committees are:
- 3.2.1 Finance Committee;
  - 3.2.2 People Committee; and
  - 3.2.3 Standards Committee.
- 3.3 The committees meet as timetabled in the meeting calendar.

- 3.4 The Chair and Vice Chair of each committee are elected by the members of the committee on an annual basis. The Chair must be suitably experienced and/or qualified to undertake the task required.
- 3.5 The Chair of each committee may direct or invite attendance at meetings by any individuals who may be deemed to provide helpful input to the content of the meeting.
- 3.6 Except in the case of a LGC, no vote on any matter shall be taken at a meeting of a committee of the Directors unless the majority of members of the committee present are Directors.
- 3.7 Committee minutes are provided to the Trust Board at its next full meeting, and the Chair of the committee is required to provide a written and/or verbal report to the Trust Board.
- 3.8 Committees are authorised by the Trust Board to investigate any activity within their Terms of Reference. They are authorised to seek any information they require from any employee and all employees are directed to co-operate with any request made by Committees.
- 3.9 Detailed Terms of Reference for each committee are included in section 3 of this document.

#### **4 The role of Local Governor Committees**

- 4.1 The Trust Board has established committees to be known as the Local Governor Committees . There is an LGC for each academy within the Trust. It is the decision of the Trust Board about what, if any, governance functions they delegate to LGC's
- 4.2 Best practice is that the principle of "significant separation" should also apply between the LGCs and the Trust Board. If local governors sit on the Trust Board this may reduce the objectivity with which the Trust board can exercise its powers.
- 4.3 Local governors may be conflicted in that, for the best possible reasons, they may wish to represent the interests of the school or schools where they serve on the LGC, rather than the interests of all schools in the group. Directors must not be partial – they must make decisions in the interests of all schools and all pupils, they must exercise independent judgement and avoid conflicts of interest. For this reason, the Confederation of School Trusts advises that all or a significant majority of Directors to be independent of local governance.
- 4.3 The membership of the LGCs must include two parents of pupils currently at the academy and, at a primary school, one member of staff, and at a secondary school, two members of staff (one teaching, one support staff). These positions must be elected. Otherwise, there should be enough members of each LGC to enable it to do an effective job, with a maximum of 9 members in each primary academy and 12 in a secondary academy.
- 4.4 LGCs meet four times a year.

- 4.5 The Chair and Vice Chair of each LGC are elected by the members of the LGC, subject to approval by the Trust Board, on an annual basis. Other LGC members will be appointed by the LGC themselves, with support from the Head of Education, Primary and Secondary (as appropriate). All appointments are approved by the Trust Board, with the exception of Diocesan/Foundation representatives who are appointed by the Diocesan Board of Education.
- 4.6 LGC members serve up to two four-year terms of office, but may leave their post sooner by providing a written resignation to the LGC Clerk. LGC members may be asked to leave the LGC by Directors if they fail to abide by the Code of Conduct.
- 4.7 The Chair of the LGC may direct or invite attendance at meetings by any individuals who may be deemed to provide helpful input to the content of the meeting.
- 4.8 Meetings of the LGC are quorate if one half of the membership of the committee, excluding any vacancies (rounded up to the nearest whole number) are in attendance (this includes virtual attendance via TEAMS/Zoom) Where a vote is necessary, each member of the LGC has one vote and the Chair may use a casting vote where a vote is split evenly.
- 4.9 The Governance Professional manages the clerking arrangements for the LGCs. The clerk must provide LGC minutes to the chair and the Governance Professional within 14 days of the meeting.. The Chair of the LGC may, on occasion also be invited to provide a verbal or written report to the Trust Board, or any of its committees.
- 4.10 LGCs also conduct an annual review of their activity and effectiveness and report this to the Trust Board.
- 4.11 LGCs are important in the Trust's approach to governance in the following ways. They are
- 4.11.1 responsible for providing assurance to the Trust Board (and to external bodies, such as Ofsted) that the academy's work has been scrutinised with an eye to performance improvement and impact on the local community, and that Trust-wide and statutory policies are being properly followed
  - 4.11.2 accountable for the decisions made as part of a panel within the parameters of our policies on complaints, exclusions, admissions appeals and staff disciplinarys
  - 4.11.3 responsible for engaging with collaborative development or quality assurance activities or supporting the process whereby decisions affecting the academy (such as the appointment of a new Headteacher or an Ofsted inspection) are made
  - 4.11.4 responsible for ensuring that they have the right membership and balance of skills to do an effective job

- 4.11.5 charged with engaging fully with our communities and championing the Trust and each academy as their 'heartbeat', developing work that will support positive attitudes to learning among future pupils, parents and others and bringing the outside world into the classroom through the use of their own professional networks.
- 4.12 It is important to note that local governance must not duplicate the activity of the Trust's executive functions in regard to the performance management of the academy's senior leadership. The function of the LGC is to scrutinise rather than to hold to account.
- 4.13 Detailed Terms of Reference for LGCs are included in section 3 of this document.

## **5 The role of the CEO and the ELT**

- 5.1 The CEO and the ELT are accountable to Directors for the day-to-day operation of the Trust and for the achievement of its strategic aims. Key executive roles within the Trust currently include:
  - 5.1.1 the CEO who also acts as Accounting Officer and is accountable for fulfilling the expectations of that role. The accounting officer role includes specific responsibilities for financial matters. It includes a personal responsibility to Parliament, and to ESFA's accounting officer, for the Trust's financial resources.

The accounting officer has a formal role in relation to the Trust Board. They must execute the strategy and decisions of the Trust Board and are therefore the formal link between the governance and operations of the organisation.

The accounting officer is held to account by the Trust Board for the educational performance of the organisation and its pupils, the performance management of staff, and financial regularity, propriety and value for money. The accounting officer also has responsibilities for keeping proper financial records and accounts, and for the management of opportunities and risks;
  - 5.1.2 the Chief Finance Officer (CFO) who has leadership responsibility for finance, human resources, ICT, estates and data protection;
  - 5.1.3 the Deputy CEO who is responsible for the line management of our primary Headteacher;
  - 5.1.4 Head of HR; and
  - 5.1.5 Senior Executive Assistant.
- 5.2 The accountabilities of these roles are detailed within specific job and role descriptors and are not repeated here. The achievement of objectives by members of the ELT is

monitored by Directors through the work of committees and also via the professional performance management and development process.

- 5.3 Members of the ELT attend governance forums. Each governance forum has an 'executive lead' (or 'leads'), as follows:
  - 5.3.1 For Standards, the Deputy CEO, supported by the Head of Secondary and the Executive Headteachers of Primaries as required;
  - 5.3.2 For Finance, the CEO and CFO, supported by the Heads of Finance, HR, ICT and Estates as required;
  - 5.3.3 For People, the CEO and the Head of HR; and
  - 5.3.4 For each LGC, the relevant Headteacher and Trust representative as required.
- 5.4 In order to maintain ethical separation between our executive and non-executive functions, it is not permitted for any Trust staff member to join our governance structures, unless they are an elected staff member of an LGC.

**All those involved in our governance, including members of the ELT, are expected to sign up to the following code of conduct. Failure to abide by it may result in dismissal from a role within our governance.**

### 1 Introduction

- 1.1 We value the commitment and energy of all those who contribute to our governance. We believe it is important to behave professionally at all times and to ensure that we afford respect to all those with whom we come into contact.
- 1.2 This Code of Conduct applies to:

  - 1.2.5 Members of the ELT
- 1.3 This Code of Conduct is deemed to have been accepted and agreed by anyone who agrees to serve within any part of our governance.
- 1.4 Governance is a collective responsibility – hence the use of ‘we’ throughout section 3. However, we also believe that those involved in governance are individually accountable – as a consequence, those involved in our governance must also abide by the staff code of conduct, which is a separate policy relating to behaviours.

### 2 The ‘Nolan’ principles

- 2.1 All those involved in governance within IET are expected to be aware of, and conduct themselves in accordance with, the Framework for Educational Ethical Leadership, developed by the Ethical Leadership Forum and referenced in our Ethical Leadership statement.
- 2.2 This makes explicit the expectation to conduct oneself in accordance with the seven ‘Nolan Principles’ of public life, summarised below.

**Selflessness** – Holders of public office should act solely in terms of the public interest.

**Integrity** – Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.

**Objectivity** – Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

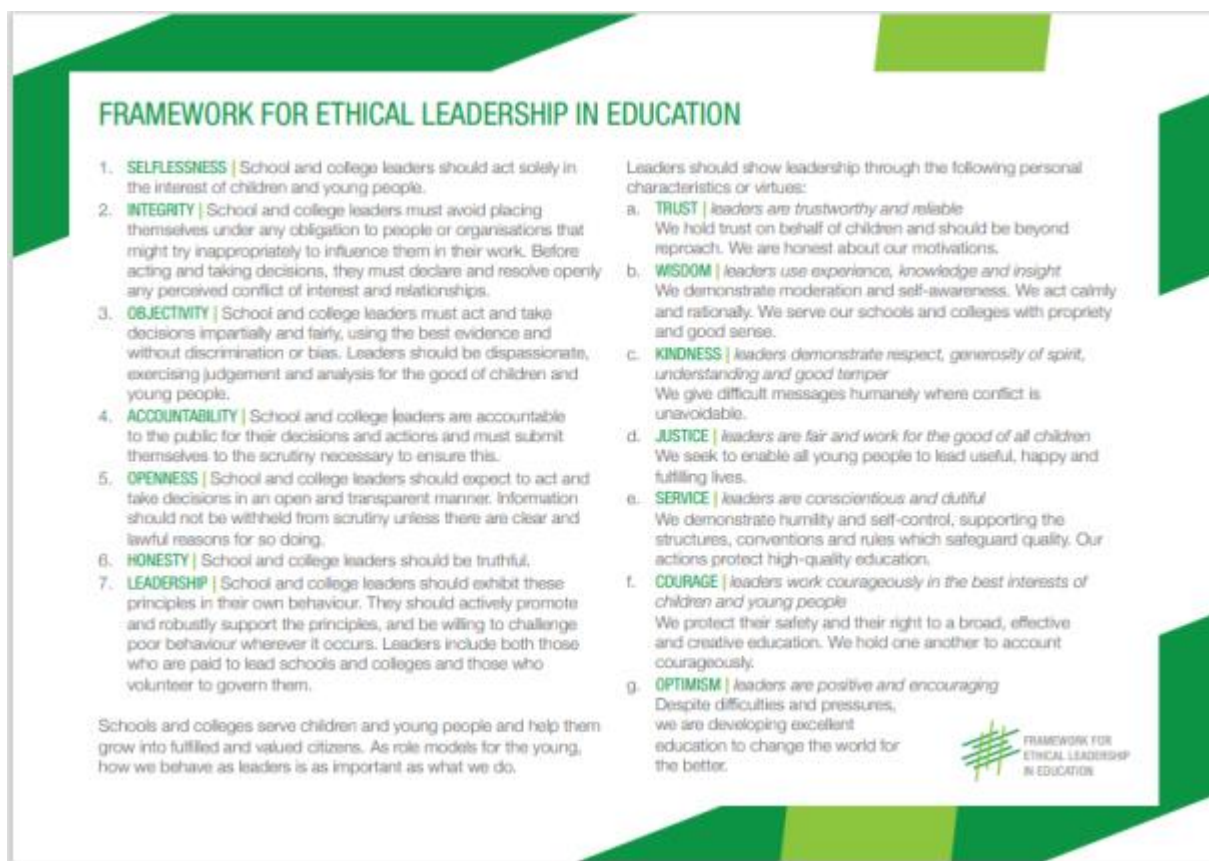

**Accountability** – Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

**Openness** – Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

**Honesty** – Holders of public office should be truthful.

**Leadership** – Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

#### *Ceasing governance activities*

- We understand that the requirements relating to confidentiality will continue to apply after ceasing governance activities.

#### *Breach of the Code*

- If we believe this Code has been breached, we will raise this issue with the Chair and the Chair (or the Vice Chair if the allegation is against the Chair) will investigate and seek guidance from the Trust's Company Secretary.
- We understand that the Trust Board reserves the right to remove someone from office for breaches of this Code.

## SECTION 6 – GOVERNANCE ALLOWANCES

All those involved in our governance are deemed to have understood the policy below in respect of governance allowances.

Those involved in our governance may claim appropriate recompense for certain expenses, as detailed below.

This applies to Members, Directors and members of LGCs.

Our policy in this area has been developed in accordance with the DfE document “The School Governance (Roles, Procedures and Allowances) (England) Regulations 2013”. These regulations give academy trusts the discretion to pay allowances from the Trust’s budget allocation to governors for certain allowances which they incur in carrying out their duties.

Our Articles of Association state that 'a director of the academy trust/member of a local governing body may at the discretion of the board/local governing body be reimbursed from the property of the academy trust for reasonable expenses properly incurred by him or her when acting on behalf of the academy trust but excluding expenses in connection with foreign travel.'

Our Board believes that paying governance allowances, in specific categories as set out below, is important in ensuring equality of opportunity to serve for all members of the community and so is an appropriate use of academy funds.

### *Guidelines*

Those involved in governance may claim allowances in respect of actual expenditure incurred whilst attending meetings of the Board and its committees, undertaking training and development and otherwise acting on behalf of the Trust.

They may not claim for

- actual or potential loss of earnings
- attendance allowance.

### *Eligible expenses*

Categories of eligible expenditure are:

- care arrangements, where these are not provided by a relative or current/former partner, for
  - o childcare or babysitting expenses
  - o an elderly or dependent relative
- extra costs incurred in performing their duties either because a governor has special needs or because English is not their first language
- telephone calls, photocopying and postage (although, wherever possible, these should be undertaken within the academy)
- travel

- subsistence (excluding alcohol).

## Allowance rates

Rates at which allowances are payable as follows:

- Care arrangements – actual costs incurred, up to £10 per hour
- Telephone calls and postage – actual costs incurred
- Travel:
  - o Mileage rates in accordance with the Inland Revenue Authorised Mileage Rate, currently 45p per mile up to 10,000 miles annually and 25p per mile thereafter
  - o For public transport - actual costs incurred for economy/second-class fares
- Subsistence – if additional expenses are incurred because work as a governor requires taking meals (i.e. breakfast, lunch or dinner) away from your local area, reimbursement will be made for the food/non-alcoholic drink items bought on the day claimed subject to the following:
  - o One meal rate (5 hour rate) – the rate may be claimed where the governor has been undertaking qualifying travel for a period of at least 5 hours and has incurred the cost of a meal. You may claim up to £5.
  - o Two meal rate (10 hour rate) – the rate may be claimed where the governor has been undertaking qualifying travel for a period of at least 10 hours and has incurred the cost of a meal(s). You may claim up to £10.
  - o These allowances can be combined up to a total of £20 in any one day. For instance, the ten hour and evening meal allowance could both apply.

## *Criteria for claims*

All claims must be submitted to the Senior Executive Assistant within three months of the expenditure's having been incurred. The latest expenses claim form is available from the Senior Executive Assistant.

Receipts must be supplied to support claims for reimbursement (e.g. bus ticket, phone bill, taxi receipt, till receipt and a fuel receipt). In the case of telephone calls, an itemised phone bill should be provided, identifying the relevant calls.

Claims for reimbursement must be agreed as justifiable by the Chair of the relevant committee before any reimbursable costs are incurred.

Claims will be subject to independent audit and governor claims may be investigated by the Chair of Directors (or by the Finance, Audit and Risk Committee in respect of the Chair of Directors) if they appear excessive or inconsistent.

## SECTION 7 –THE QUALITY OF GOVERNANCE – CHALLENGE, SUPPORT AND INTERVENTION

We are committed to ensuring the highest standards within our governance, at all levels. This means ensuring that it is both effective and ethical, going 'above and beyond' the requirements, for example, of the DfE's Governance Handbook or our own Code of Conduct.

In common with the approach taken to all aspects of our work, we will use the evidence-based approach of Challenge, Support and Intervention to drive our governance performance.

The section outlines how we will do this, and who will be responsible for doing it.

*What does 'ethical and effective governance' look like?*

The elements below will be critical in determining the quality of our governance:

1. Competence and commitment
  - a. Do we have the right range of skills engaged?
  - b. Are people well trained and developed?
  - c. Is there the right level of commitment and engagement from those involved in governance?
  - d. Is there a regular review of the impact of governance?
2. Compliance and professionalism
  - a. Does activity comply with fundamental requirements (e.g. the declarations of interest or mandatory training)?
  - b. Is clerking knowledgeable and effective? Are meetings well planned, conducted and minuted?
  - c. Are governance processes (e.g. exclusions, complaints) compliant with policies and legislation?
3. Relationships and communication
  - a. Is there regular communication between those involved in governance and executive leaders?
  - b. Is the business of governance conducted honestly and robustly in a spirit of mutual support and challenge?
  - c. Are those involved in governance valued for all that they bring to the work?
  - d. Is there evidence of proactive communication at all levels of governance?
4. Questioning and analysis
  - a. Is information provided in a helpful and timely way?
  - b. Is information appropriately questioned in a way that enables those involved in governance to form an evidence-based view of performance?
  - c. Are questions responded to and acted upon by executive leaders?
5. Independent scrutiny
  - a. Is there significant evidence of triangulation of evidence by those involved in governance, for example through visits and the seeking out of stakeholder views?

6. Engagement and collaboration
  - a. Do those involved in governance work alongside others in the Trust to improve practice?
  - b. Is there evidence of a clear sense of accountability to our communities?
7. Purpose and impact
  - a. Is there absolute clarity about the purpose of governance which is shared by all?
  - b. Is there evidence that governance is having an impact and is this regularly reviewed?

### *Challenge*

Our approach to challenge as part of the quality assurance of governance includes the following:

External challenge	The views of DfE and Ofsted in relation to our governance Internal audit schedule of governance review Commissioning of external governance reviews
Internal challenge	Internal Challenge Support Intervention (CSI), including the SDP/PTR processes, including governance Compliance audits in regard to statutory procedures Regular reviews of skills and effectiveness led by the Company Secretary Director level review of LGC performance and opportunities for observations of different levels of governance
Planning	Through the process of agreeing this document

### *Support*

All support is firmly rooted in our vision, values and Trust Development Plan and is aligned with our unwavering commitment to collaboration and people development.

External support	Through membership of the Confederation of School Trusts, the NGA, the Key Through the provision of external training and development where needed
Internal support	Through the provision of guidance and easy-access materials such as this document and the Governance Guide Through bespoke training and development Through the support of the Company Secretary and individual advice and guidance Through the online portal (Governor Hub) Through informal networking and communication

### *Intervention*

The activity of challenge and support may provide evidence of serious failures in governance leading to the need for **intervention**. In such a case, the Company Secretary may advise the Board to take action on behalf of either Members or the Board of Directors.

This may include reviewing or removing any power or responsibility which the Board has delegated or removing individuals from positions within our governance.

This may apply especially in circumstances where serious concerns in the running of an academy (or academies) are identified, including (but not limited to) where

- insufficient progress is being made against educational targets (including where intervention by the Secretary of State is being considered or carried out)
- there has been a breakdown in the way the academy is managed or governed
- the safety of pupils or staff is threatened, including a breakdown of discipline
- there are concerns about financial matters.

### *Key Roles*

The **Members** are accountable for ensuring that Directors are performing effectively. The Company **Secretary** keeps this under constant review on behalf of Members and in collaboration with a wide range of external support networks, including those provided by the Confederation of School Trusts and the National Governance Association (NGA).

The **Company Secretary** is also charged by Directors with leading the quality assurance of governance at other levels within the Trust. The Company Secretary is supported in this work by the clerk of each Local Academy Committee.

All executive leaders have responsibility for ensuring that they play their own part in challenging and supporting those involved in our governance. This applies to Headteachers in regard to LGCs and members of ELT in regard to Director committees.

The Head of Education, Primary and Headteacher of Blue Coat School are responsible for supporting Headteachers in this work and also for ensuring there is coherence and collaboration between LGCs.

Insofar as ensuring effective governance is a part of the responsibility of all those in the executive line, the Chief Executive Officer will hold all executive leaders to account for their part in delivering our governance ambitions.
